

# Black Bean Brownies

**Source:** SkinnyTaste.com

## Ingredients

- 15 oz can black beans
- 19.5 oz box chocolate brownie mix

## Directions:

Open can of beans, drain and rinse well. Put beans back in the can and fill can with water. Put beans and water in blender until smooth. Mix pureed beans with brownie package mix. **DO NOT** add eggs or oil. Spray baking dish with Pam. Cook brownies according to package directions. Cool and serve.
